Field Education Director and Clinical Instructor, West Virginia University, Morgantown, WV (January 2022-present)

- Provide administrative and educational leadership for field education
- Develop and implement field education programming consistent with CSWE policies and standards and the NASW Code of Ethics
- Develop and maintain field education manuals and recommend policy revisions as needed
- Develop and implement field education assessment practices
- Maintain a current database of agencies and field instructors
- Coordinate internship selection processes with students and agencies; ensuring internship affiliation agreements are current
- Collaborate with the School Director, Program Directors, Assessment Coordinator, and field faculty as appropriate regarding activities and issues pertaining to field education
- Coordinate field orientation for students, field faculty, and field instructors;
- Coordinate administrative activities that are specific to the operation of the field office
- Collaborate with social work faculty in integrating field education across the curriculum
- Build ongoing positive professional relationships with current and potential field agencies
- Coordinate School of Social Work social media accounts.

MSW Online Field Coordinator and Clinical Instructor, West Virginia University, Morgantown, WV (January 2020 - January 2022)

- Cultivated internships and developed internship agreements with agencies;
- Maintained a current database of agencies, affiliation agreements, and field instructors;
- Administered internship selection processes with students and agencies;
- Coordinated field orientation for students, field faculty, and agency-based supervisors;
- Contributed to the development of field manuals and field policy, ensuring field engagement with curricular and program assessment practices

Academic Community Engagement Coordinator, West Virginia University, Morgantown, WV (July 2015 – December 2019)

- Collaborated with multidisciplinary faculty to support the integration of curricular community engagement
- Coordinated service-learning projects to ensure valuable learning experiences for students and meaningful service to the community

- Fostered collaborative relationships with community-based organizations for best outcomes in student learning while meeting shared community goals
- Established Service-Learning Teaching Assistant program that provides students with a leadership role and faculty mentor while providing needed support in coordination of a service-learning course
- Developed impact report tool to highlight quantitative and qualitative impact of student service and learning
- Created and promote faculty development resources to aid in best practices of academic community engagement (ACE) such as a service-learning syllabus guide and ACE Development Series

Executive Director, Family Promise of the Palouse, Moscow, ID (August 2013- June 2015)

- Managed day to day operations of a short-term shelter for families experiencing homelessness, including training and oversight of staff, volunteers and student interns
- Represented the organization to the public and the media; built ongoing relationships with community stakeholders
- Managed daily expenses and operational budget; planned and promoted major fundraisers
- Worked closely with grant committee to research, write and report on grant opportunities
- Oversaw quality of supportive services and case management as well as development of further programming

Adoption Caseworker, CASI Foundation for Children, Boise, ID (March 2013 – December 2014)

- Wrote Pre-Adoptive Home Study Reports and Post Adoption Placement Reports for families seeking to adopt children nationally and internationally

Counselor, Lewis-Clark State College, Lewiston, ID (August 2012 – August 2013)

- Provided career and educational counseling and assessments to students enrolled in technical and professional programs
- Collaborated with faculty to increase student retention
- Planned and coordinated programs and services in student resource center to encourage students to utilize available support

Assertive Community Treatment (ACT) Team Program Manager, Pathways to Housing, Washington, DC (August 2008 – July 2012)

- Conducted intake assessments and developed treatment plans
- Provided case management and rehabilitative services in the community to at-risk population with history of homelessness and persistent mental illness
- Managed mental health crises primarily in a community setting
- Coordinated with other systems involved with clients, including landlords, hospitals, courts, families and other community resources
- Hired, trained, and directed staff in providing quality clinical support
- Provided clinical supervision to multidisciplinary team, including social workers, nurses, employment specialists, addiction counselors and interns
- Developed and managed internship program and served as liaison between agency and local universities; supervised social work interns towards completion of their degrees

Substance Abuse Counselor, The Center for Comprehensive Health Practice, New York, NY (June 2007 – August 2008)

- Provided substance abuse counseling and case management

- Conducted intake assessments, developed biopsychosocial reports and treatment plans
- Assisted in curriculum development and facilitation of domestic violence support group
