This form is used for both Midterm and Final Evaluation, by both students and Field Instructors, to measure the competencies and practice behaviors adopted by the WVU School of Social Work. Students are required to engage in all practice behaviors listed under each competency. Please refer to the learning contract for the tasks designed to give the student the opportunity to **demonstrate mastery of** the competencies and practice behaviors in your particular placement setting.

Field Instructors: Please use the included rating scale to evaluate the quality of the **student's performance** in relation to the specific criteria.

Student Self-Assessment: Please use the included rating scale to evaluate the quality of **your performance** in relation to the specific criteria.

The **MIDTERM** evaluation offers the opportunity to 1) **Identify which, if any, competencies you/the student has not achieved mastery of and make appropriate changes and 2) Identify which, if any, competencies you/the student has not yet experienced.** For the MIDTERM evaluation, please indicate how you/the student will experience any behavior(s) that you were unable to assess to date.

For the **FINAL** evaluation, students are required to engage in all practice behaviors listed under each competency. It may be helpful to refer back to the learning contract and/or midterm field evaluation when completing the final field evaluation.

Final Grades will not be posted until both midterm and final evaluation forms are received by the Field Faculty Liaison. Failure to do so by the deadline assigned by the liaison could delay student's forward progress, and/or graduation.
