****John Jones IPE Classrooms:**

Enter through Mary Babb Randolph entrance. Follow hallway back behind to the right of reception to nearest elevators and continue back the hallway. You will see a waiting area on your left, continue through the hallway and through a set of double doors. You should see the HSC Healthy Café ahead toward the left. The John Jones Classrooms are in a glass door to the right, just before the café. It is easy to get lost, so allow extra time for parking and finding the classrooms.
