# Caring & Coping

## *A Caregiver Workshop for Families and Professionals*

**Expert Presentations  
by Dr. David Hutchings  
and Dr. Liv E. Miller**

**Dr. David Hutchings**, *Chief Executive Officer, Stonerise Therapy*, and **Dr. Liv E. Miller**, *Director of Neuropsychology and Postdoctoral Fellowship at WVU School of Medicine*, will discuss:

- Alzheimer's disease and other dementia related diseases
- Ways in which caregivers can provide quality care and support to the individual they are caring for while also maintaining their own health and wellness

**An informal question and answer session will follow, surrounding general information and concerns of caregivers.**

**Alzheimer's Association and other local vendors will be on hand to provide information about programs and services offered in the community.**

---

**November 16, 2017 | 5:30PM**  
**Alzheimer's Association**

1299 Pineview Drive, Suite 3, Morgantown, WV
