GERIATRICS LUNCHTIME LEARNING

Name: _____ Email Address: _____ Date: ____/____/____

Program Title: Hepatitis C and Baby Boomers

Speaker(s): Christine Teague, PharmD, MPH, AAHIVP

Objectives:

1. Review the current epidemiologic trends related to Hepatitis C in the U.S. and in WV.
2. Understand the mechanism of action for the three classes of direct-acting antivirals (DAAs) available for the treatment of chronic hepatitis C.
3. Know the two pieces of clinical information that is required to recommend appropriate antiviral regimens for chronic Hepatitis C outlined in the IDSA/AASLD chronic hepatitis C management guidelines.
4. Describe the most common drug-drug interactions with the DAAs available for the treatment of chronic hepatitis C.
5. Describe effective harm-reduction messaging aimed at individuals at risk for, or infected with, chronic Hepatitis C.

Overall Presentation

1. The presentation objectives were met.

Agree

Somewhat Agree

Disagree

Strongly Disagree

2. Briefly describe what you have learned in this presentation.

3. What are some common drug-drug interactions with the DAAs available for the treatment of chronic hepatitis C?

How can attending this program affect your current practice and/or position?

What will you do differently in your practice and/or position as a result of your attendance in this program?
