# “Hope is not a plan.”

Dr. Atul Gawande

**JOIN US** for a free screening and discussion of the **PBS FRONTLINE** film *Being Mortal*. Based on the best-selling book by Atul Gawande, MD, this documentary explores the hopes of patients and families facing terminal illness and their relationships with the physicians who treat them.

See the film and be part of a national conversation that brings medical professionals and community members together around the shared responsibility of discussing what matters most to patients and families facing difficult treatment decisions and how to have these conversations ahead of a medical crisis.

- **WHERE:** Robert C. Byrd Health Sciences Center Auditorium  
(on the Berkeley Medical Center campus)
- **WHEN:** Tuesday, April 12, 2016, 6:00 - 8:00 p.m.
- **MORE INFORMATION:** (304) 264-0406 or [www.hospiceotp.org](http://www.hospiceotp.org)

**This event is a program of WVU Health Sciences Center, WVU Medicine  
University Healthcare and Hospice of the Panhandle.**

Atul Gawande MD, MPH, is a surgeon, writer, and public health researcher. He practices general and endocrine surgery at Brigham and Women's Hospital and is professor in both the Department of Health Policy and Management at the Harvard School of Public Health and the Department of Surgery at Harvard Medical School. Dr. Gawande has been a staff writer for *The New Yorker* magazine since 1998 and has written four New York Times bestsellers: *Complications*, a finalist for the National Book Award in 2002; *Better*, one of the 10 best books of 2007 by Amazon.com; *The Checklist Manifesto* in 2009 and his most recent book, *Being Mortal: Medicine and What Matters in the End*, released in October 2014. He has won two National Magazine Awards, AcademyHealth's Impact Award for highest research impact on healthcare, a MacArthur Fellowship and the Lewis Thomas Award for Writing about Science.
