Program Title: Motivational Interviewing: Collaborating with Patients for Behavior Change

Individual Presentation: Speaker(s): Scott A. Fields, PhD

Objectives:

At the conclusion of this program, participants should be able to:

1. Define motivational interviewing and explain situations where motivational interviewing would be clinically useful;
2. List and describe techniques in motivational interviewing including the four parts of the OARS method; and
3. Provide practical ways to utilize motivational interviewing strategies in patient interactions.

Overall Presentation

1. The presentation objectives were met.

Agree

Somewhat Agree

Disagree

Strongly Disagree

2. Please list some situations in which motivational interviewing would be clinically useful.

3. What are the 4 parts of the OARS method?

How can attending this program affect your current practice and/or position?

What will you do differently in your practice and/or position as a result of your attendance in this program?
