“Medication and Substance Misuse Among Older Adults”

Primary Care Seminar

West Virginia School of Osteopathic Medicine

Friday, December 13, 2013
9:00 am - 4:00 pm
Main Building Year 2 Classroom

Jointly Sponsored by:

West Virginia School of Osteopathic Medicine
 WVSOM Alumni Association, Inc.
 Mountain State OPTI
 Southeastern Area Health Education Center
 West Virginia Geriatric Education Center
 CAMC Health Education Research Institute

SEMINAR OBJECTIVES

At the end of the seminar the participant should be able to:

1. Discuss reasons that older adults are at risk for substance abuse and identify when substance abuse is occurring.
2. Discuss strategies to intervene and/or reduce substance abuse and misuse by older adults.
3. Identify factors that place older adults at risk for substance abuse poisonings and discuss commonly reported poisonings.
4. Explain why substance abuse and misuse among older adults is often under-recognized and under-reported.
5. Discuss older adult substance abuse trends and incidence rates in the United States.

EDUCATIONAL CREDITS

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the essentials and standards of the Accreditation Council for Continuing Medical Education through the joint sponsorship of CAMC Health Education and Research Institute, Southeastern Area Health Education Center, and West Virginia School of Osteopathic Medicine.

Allopathic Physicians/Physician Assistants - The CAMC Health Education and Research Institute's CME program is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The CAMC Health Education and Research Institute designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Osteopathic Physicians - The West Virginia School of Osteopathic Medicine is accredited by the American Osteopathic Association to sponsor continuing medical education for physicians. This program anticipates being approved for 5.5 hours of Category 1-A CME credit pending approval from the AOA CCME.

Nurses - CAMC Health Education and Research Institute is an approved provider of continuing nursing education by the West Virginia Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This program has been approved for 5.5 contact hours under approval program number PO15-14-13627 WVBP:01a.

Social Workers - CAMC Health Education and Research Institute is an approved provider of continuing education by the West Virginia Board of Social Work Examiners. This program has been approved for 5.5 hours of social work credit. Approval number #490045.

SPEAKER/SKILLS LAB LEADER BIOS

Elizabeth J. Scharman, Pharm.D., DABAT, BCPS, FAACT

Elizabeth Scharman is the director of the West Virginia Poison Center and a professor in the Department of Clinical Pharmacy at West Virginia University's School of Pharmacy. She received her Pharm.D degree from Virginia Commonwealth University in Richmond and completed externships at hospitals in Indianapolis. She has been published many times on a variety of topics and has given numerous lectures, presentations, and media interviews.

Jim Mateny, M.S., Clinical Psychology, Certified Addiction Counselor

Jim Mateny is a licensed mental health counselor who received his master's and undergraduate degrees from Murray State University. He is currently the West Virginia Screening Brief Intervention and Reference Clinical Project Director in the Department of Health and Human Resources for the Bureau for Behavioral Health and Health Facilities. He provides administrative oversight for a large federal grant used to address substance abuse/misuse in primary care centers, Level I trauma units, school-based health centers, and hospital emergency departments.

Deborah Cotes, D.O., Medical Director, Palliative Care Services

Deborah Cotes is a graduate of the West Virginia School of Osteopathic Medicine. She completed an Internal Medicine residency at Charleston Area Medical Center and is currently the Medical Director of Palliative Care Services. She is a member of the American Osteopathic Association (AOA), American College of Physicians (ACP), American Academy of Hospice and Palliative Medicine (AAHPM), and the American Medical Association (AMA). She is also a certified instructor for the Respecting Choices Program.

Vickie Powell, MSN, FNP-BC, CHPCA

Vickie Powell received her undergraduate degrees from Alderson-Broaddus College and received her master's degree in nursing in 2012 from Mountain State University. She has many years of experience in clinical nursing and is currently the director of the Palliative Care Program at Kanawha Hospice Care which serves 16 counties in West Virginia. She is certified in Hospice Palliative Care Administration and Advanced Geriatric Skills and is a Critical Care Registered Nurse.

Amy Wirts, M.D.

Amy Wirts graduated from the West Virginia University School of Medicine where she received the International Health Travel Award to China. She completed her residency at CAMC and is now a hospitalist there. She is also currently the Medical Director at the Palliative Care Center in Charleston, West Virginia. She is a member of the American College of Physicians, WV State Medical Association, and American Academy of Hospice and Palliative Medicine.

Deborah Schmidt, D.O.

Deborah Schmidt is a graduate of the West Virginia School of Osteopathic Medicine. She is currently an Assistant Professor of Osteopathic Principles and Practice at WVSOM and practices medicine at the Robert C. Byrd Clinic where she is the Chair of the Osteopathic Manipulative Medicine Division. She received her undergraduate degree from the Ohio State University. She is a member of several professional organizations, including the American College of Osteopathic Family Physicians, American Academy of Osteopathy, American Osteopathic Association, and The Cranial Academy.

Alexis Tracy, D.O.

Alexis Tracy is a graduate of the West Virginia School of Osteopathic Medicine and was named Student DO of the Year in 2006. She completed her undergraduate degrees at the University of Nebraska. She completed her residency at the University of Wisconsin Hospitals and Clinics. She is currently employed as a General Physiatrist at the Greenbrier Valley Medical Center. She has been published many times and has experience in teaching and research.

DISCLOSURES:

It is the policy of the CAMC Health Education and Research Institute that any faculty (speaker) who makes a presentation at a program designated for AMA Physician's Recognition Award (PRA) Category I or II must disclose any financial interest or other relationship; (i.e. grants, research support, consultant, honoraria) that faculty member has with the manufacturer(s) of any commercial product(s) that may be disclosed in the educational presentation. Program Planning Committee Members must also disclose any financial interest or relationship with commercial industry that may influence their participation in this conference. Faculty relationships with industry, if any, will be made available on-site and disclosure made from the podium to the participants. This program has been developed in compliance with accreditation requirements of the AOA Division of Continuing Medical Education. Questions or concerns should be addressed to the CME Office, 400 N. Lee St., Lewisburg, WV 24901. Unresolved issues regarding compliance with the AOA Uniform Guidelines can be brought to the AOA Division of CME at 1-800-621-7773, Ext. 4, or write to Division of Continuing Medical Education, American Osteopathic Association, 142 E. Ontario St., Chicago, IL 60611-2864.
